ABOUT COLLEGE

L.R.G. Government Arts College for Women, Tirupur, boasts a rich legacy and esteemed status as a pioneering institution exclusively dedicated to women's education within Tamil Nadu. Since its establishment on July 15th, 1971, the college has been committed to empowering women through education. From its humble beginnings with 221 students, it has grown significantly, currently catering to approximately 3500 students.

The college's founding marked a significant milestone in higher education, serving as the sole Government Women's College for three major districts of Tamil Nadu: Coimbatore, Tirupur, and Erode. It provides a nurturing environment conducive to uninterrupted academic pursuits, enabling women to advance through various educational stages, including research.

Offering a diverse range of programs, the college now hosts 16 undergraduate, 9 postgraduate, 8 M.Phil. and 8 Ph.D. programs. Recognizing its commitment to excellence, the college has been accredited by NAAC with a 'B' grade.

ABOUT THE DEPARTMENT

The Department of physics is well equipped with qualified and experienced faculty members with research background. The department offers B.Sc, M.Phil. and Ph.D (Part time) programmes in physics.

The department focuses on the thrust areas of research namely Nanomaterials, Crystal Growth, Thin films, Polymer nanocomposites and Ultrasonics.

OBJECTIVE OF THE CONFERENCE

The aim of this Conference is to unite scholars from academia and industry, fostering dialogue and collaboration on cutting-edge advancements in nanotechnology and related fields. By convening experts under a single roof, the conference facilitates the exchange of insights, enabling researchers to showcase their findings and engage in fruitful discussions with peers from diverse regions of our nation.

MAJOR TOPICS OF INTEREST

- Nanomaterials, Nanoparticles, Nanocrystals
- Nanotribology, Nanocomposites
- Nanoelectronics, Nano-Magnetics
- Nanobiotechnology, Nanomedicine
- Nanotubes/Nanowires/Quantum Dots
- NEMs, MEMs, Nano-Fluidics
- Nano-Sensors, Nano-robotics
- Nano-Fabrication, Nano-Lithography
- Nanotechnology for Energy
(Fuel cells, Solar cells)
- Other topics (Crystal Growth, Ultrasonics, Thin films etc.)

CALL FOR PAPERS

The organizing committee invites original research papers for Oral/Poster presentation. Authors are requested to submit an abstract of their work in about 200 words (Microsoft Word format, Times New Roman font 12pt / 1.5 spacing) to lrgncn2024@gmail.com.

All the submitted abstracts will be peer-reviewed, and authors of selected abstracts will be requested to submit the full-length paper.

The papers selected would be published in the UGC – CARE Journal / SCOPUS Indexed Journal/ Proceedings / Conference Proceedings with ISBN No.

Besides, a souvenir containing abstracts would also be brought out.
