National Conference on Nanomaterials – 2024 (NCN – 2024)

11 – 12 July 2024

OBJECTIVE OF THE CONFERENCE

This conference aims to advance research in nanotechnology by fostering collaboration and knowledge sharing among researchers, scientists, and industry experts. It provides a platform for presenting research work, discussing advancements, and promoting interdisciplinary dialogue while showcasing technological developments and potential applications in nanomaterials.

MAJOR TOPICS

- ❖ Synthesis & Characterization of Nanomaterials
- ❖ Properties of Nanoscale Materials
- ❖ Nano electronics and Nano photonics
- ❖ Organic and Inorganic Nanocomposites
- ❖ Biomaterials and Nanobiotechnology
- ❖ Nanomaterials in Food, Agriculture & Water
- ❖ Nanotechnology for Energy, Environment
- ❖ Nanomaterials in Medicine
- ❖ Nanotubes/Nanowires/Quantum Dots
- ❖ Other related topics (Crystal Growth, Ultrasonics, Thin films etc.,)

KEYNOTE SPEAKERS

Dr. S. Sundar Manoharan
Vice Chancellor, PDEU,
Gujarat

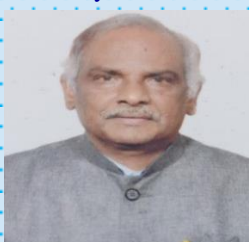

Dr. Tata Narasinga Rao
Director – ARCI,
Hyderabad

Prof. John Philip FNASc.,
Associate Director MCG
IGCAR - Kalpakkam

Dr. A. Samson Nesaraj
Director(Student Affairs)
Kalasalingam University
Srivilliputhur

Dr. V.N. Mani
Senior Research Scientist
Hindustan University
Chennai

Dr. Sangeetha Bose
Associate Professor
University of Mumbai
